Oxsprings is an Air Dried Ham aged for minimum of eight months made from British Pork. The pork legs are sourced from local Freedom Food Farms and are traceable throughout the production process. Oxsprings is based on a smallholding near Pershore where the pork legs are cured and then aged in drying rooms. No artificial preservatives or additives are used in the process just sea salt and time. We offer a traditional and lightly smoked variety of Air Dried Ham. The ham is sold in 85g packs, pre-sliced (6 slices), interleaved and has a 90 day use by date.

the little herb farm

The Little Herb Farm has grown from a passion for cooking and a rambling garden in the beautiful St Andrews in Fife. Using home grown herbs to make a variety of food products, including fruit vinegars and preserves, we have recently segued into chilled dips.

Little Bottles, Big Flavours!

The Little Herb Farm is all about creating great tasting food! First we grew some herbs, then we added the best of local berries to create our multi-award winning range of sweet fruit and herb vinegars. We love these, they look fab and taste yummy and suit everyone as they are Gluten-Free, Fat-Free and suitable for Vegans and Vegetarians. We thought, why stop there? So we added a range of delicious chilled dips. For something completely unique, why not try our chunky vegetable dips with parmesan and cashews? Or try our super smooth houmous or fresh Basil Pesto. Yum!
